Camp Description:
The UT Dallas Elite Volleyball Camp is an advanced camp designed for players looking to continue their athletic career at the collegiate level. Players with varsity/junior varsity and/or top club team experience are typically the type of campers attending this camp. Players will get to experience the UTD campus by staying in one of our suite style Residence Halls, eating in our Dining Hall West, and playing in our UTD Rec Center West. Players will be instructed on techniques, will play in simulated games and drills, and participate in classroom sessions and our camp activity Lip Sync Competition. Our Elite Camp has a max capacity of 60 campers; early registration is encouraged. Registration deadline is June 26, 2017.

General Information:
Camp check-in will occur at a UTD Res Hall Southwest from 5-6pm on Monday July 17. Campers will reside in UTD Res Hall Southwest and will have a staff member to escort them at all times when walking to and from different sites on campus. Due to university policy, no visitors will be allowed in the campers rooms. Camp check-out will also occur at UTD Res Hall Southwest beginning at 12pm on Thursday, July 20. All court sessions will be held in the UTD Rec Center West and all meals will be in the UTD Dining Hall West.

Meals:
There is not a meal scheduled for Monday, July 17. We suggest eating dinner prior to check-in or having something for your camper to eat in her room once she’s completed the check-in process. We will provide breakfast, lunch, and dinner on Tuesday, July 18 and Wednesday, July 19 and breakfast only on Thursday, July 20.

Equipment:
Campers will need to bring a pillow, linens, toiletries, towels, a water bottle, snacks, extra spending money, alarm clock, and anything else she may need for a three night stay. Please bring appropriate work out gear: court shoes, shorts/spandex, kneepads and ankle braces (recommended but not required), an appropriate swim suit, t-shirts, socks, sports bras, etc. We will have cups available, but your own water bottle will be helpful in many ways.

Parking (option chosen during online registration):
If your camper plans to drive herself to camp, there will be a parking fee. Only choose “Yes” during registration if she is planning to drive herself and park for the duration of camp. Campers will park in a designated Res Hall parking lot and will hand their keys in to the camp director. Keys will be returned during the check-out process. Please be aware that parking tickets may be distributed by campus police if vehicles do not have a UTD parking permit or parking pass.

Please check your email regularly as this will be our primary way to communicate. Any additional information we may need to provide as camp draws closer will be passed to you through the email you provide once you register for camp.
